

DATABASE OF EXISTING ACCREDITED SATELLITE DISH AND TELEVISION AERIAL INSTALLERS TO BE INCLUDED IN DTT DECODER ROLLOUT PROGRAMME

INVITATION

The Department of Communications and Digital Technologies, in collaboration with District and Local Municipalities, hereby invites all qualified and experienced satellite dish and aerial installation companies and/or individuals to register in the installer service provider database within your local municipality.

Registrations are restricted to the local municipality in which the company or individual resides. Successful companies **will be considered** for installation of government subsidized STB decoder installation in the respective local municipalities.

REQUIREMENTS FOR APPLICANTS

- Certified copy of South African ID book/Smart ID Card.
- Certified copy of installer certificate from a recognized institution.
- Police Clearance Certificate or receipt showing application of clearance.
- Proven track record in the domestic satellite/terrestrial television installations.
- Applicants must reside in the local municipality of the project (provide proof of residence e.g. rates and taxes or letter from the Councillor)
- People with installation experience without accreditation are also encouraged to apply.

REGISTRATION

Installers are expected to register within their local municipality offices by no later than 19 February 2021

Contact – Lucas Tisane on 081 315 7505

Please submit your name and proof of accreditation to:

Email :lucast@polokwane.gov.za;winnier@polokwane.gov.za;
maleselele@polokwane.gov.za;

Hand Delivery: Civic Centre Corner Landros Mare and Bodenstein Street

Only installers who have registered with the municipality will be considered.

Please note that entry into the database does not automatically constitute or guarantee an appointment as a service provider.
