FINANCIAL REPORT FOR THE PERIOD ENDED 30 June 2020.

Report of the Chief Financial Officer

Purpose

The purpose of this report is to comply with section 71 and 52 of the MFMA and the requirements as promulgated in the Government Gazette No 32141 of 17 April 2009 (Municipal Budgeting Monitoring and Reporting Requirements).

Strategic Objective

To comply with MFMA priorities as well as MFMA implementation plan

Background

The Financial Report provides a high level overview of the organisation's financial viability and sustainability. The report meets the requirements of the Municipal Finance Management Act (MFMA 56/2003 – S66 and S71) and the Municipal Budgets and Reporting Regulations (MBRR - No 32141 gazetted 17 April 2009).

Discussion

Section 52 (d) states that “the Mayor of a Municipality must within 30 days of the end of each quarter, submit a report to the Council on the implementation of the budget and the financial state of affairs of the municipality”. The report is based on financial information, as at 01 July 2019 to 30 June 2020 and in line with Sec 52 (d) of the MFMA.

Section 71 (1) states that “the accounting officer of the municipality must by no later than 10 working days after the end of each month submit to the mayor of the municipality and the relevant treasury a statement in the prescribed format on the implementation of the municipality’s approved budget”.

The results for the month and quarter are summarised herein under and for the reporting period ended 30 June 2020, the 10 working days reporting period to National Treasury expires on the 14th July 2020. However due to unforeseen delays and business interruptions due to COVID-19 pandemic, the municipality requested to submit on the 24th July 2020. The Budget and Treasury Office has met the timelines for this reporting period

Extract from Annexure to MFMA Circular 99

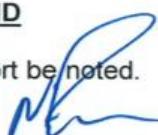

“Municipalities and municipal entities will be exempted from the timeline provisions in the MFMA, until such time that the national state of disaster declaration is lifted by the Minister of Cooperative Governance and Traditional Affairs. The exemption is conditional in that “any

action that was required to be taken in terms of the MFMA must be taken within 30 days after the national state of disaster lapsed or is terminated". This exemption should therefore enable municipalities and municipal entities to undertake their financial management responsibilities including their budget preparation processes in a manner taking cognisance of the challenges experienced as a result of the announcement of the national state of disaster and the nationwide lockdown."

It should be noted that the municipality is currently, in terms of S126 (1) (a) of the MFMA, preparing the annual financial statements (AFS) for the financial period ended 30 June 2020. Information presented in this report is preliminary (based on current available information) and subject to change when year-end processes regarding the AFS has been finalised.

RECOMMEND

That the report be noted.
